IMF2021 returns this summer with a dynamic and highly diverse **virtual** program! With top-notch faculty and an international guest artist roster from world-renowned universities, conservatories and orchestras, our uniquely enriched program is designed to foster the educational and professional development of today's inspired young musicians as they become tomorrow's leaders and global citizens. Guest artists include *Korbinian Altenberger, Nathan Cole, Robert deMaine, Karen Gomyo, Qianqian Li, Teng Li, Antonio Lysy, Guillaume Sutre, Alexander Zemtsov* and more. Faculty includes *Chi-Yuan Chen, Hyunjoo Choi, Da Yoon Kang, JinHee Kim, Matthew Kim, Gary Matsuura, Siri Lyon, Gary Matsuura, Laszlo Mezo, Sorah Myung, Stephen Ng, Mary Palchak, Moni Simeonov, Lea Steffens, Kristyn Son, Ayako Sugaya, Alexander Zhiroff* and more. Our alumni are international and regional competition winners, hold principal positions in their school and youth orchestras, and are accepted to top universities and music programs throughout the United States.

#### Program includes:

- Lessons with world-class teacher artists
- Masterclass with extraordinary guest artists
- Specialty classes in career development, video game music, music entrepreneurship, instrument care, fitness and health, and more
- Education Package (NEW!)
- Auditor Program grants access to all master and specialty classes - perfect for both students and teachers (NEW!)
